

PREPARE YOUR HOME FOR WILDFIRE

The **Resource Conservation District of the Santa Monica Mountains** is offering **FREE** home evaluations through a new Home Ignition Zone Evaluation Program. This program is available to homeowners in Los Angeles County, Simi Hills, and part of Ventura County.

WHAT IS A HOME EVALUATION?

A home evaluation is a **review of the vulnerability of your house and landscape** to wildfire and ember-ignition.

During this assessment, a trained evaluator will:

- ✓ review defensible space and home hardening principles
- ✓ make **specific recommendations** for your property
- ✓ discuss **sustainable fire-wise landscape** with CA native plants.

Learn more about how to prepare for wildfire at defensiblespace.org.

HOW TO BOOK AN EVALUATION?

Email our Community Resilience Coordinator at akunsch@rcdscmm.org. An evaluation takes about 45 to 60 minutes and are performed by trained staff and volunteers.

For more information, go to the [official webpage](#) of the Home Ignition Zone Evaluation Program.
